

Active Schools National Summit

July 19 - 21, 2023

CONTINUING EDUCATION CREDITS

Contact Hours from Action for Healthy Kids

Continuing education credits, in the form of contact hours, are available from Active Schools' home organization, Action for Healthy Kids. There are a maximum of 29 contact hours available during the week. The number of contact hours you receive will be based on the sessions that you choose to attend. A signature is required from either the presenter or the presider to confirm your attendance. Use the tracking sheet below and submit this paperwork before leaving. Action for Healthy Kids is the home organization for Active Schools and will issue you a certificate that documents the contact hours completed. This is provided at no cost.
