Move to Live Move releases in March 2024 at #1 in Children & Exercise on Amazon

Are you a teacher, coach, parent or caregiver who wants to do more to get kids moving before school, in school, after school, on the weekends, in the schoolyard, at the park, on the fields? Move to Live More features 20 thought leaders in the physical activity and youth sports space, and 20 innovative solutions for getting kids moving. The guide offers 50+ tips and 50+ takeaways on how and why kids need to move for better physical health, mental health, and academic development.
